

# Enjoy Equal Payments

With Payson City's Equal Payment Plan, your annual utility cost will be divided into equal payments, so you'll pay the same amount every month. It makes budgeting easier and more predictable.

Your payment will be adjusted at least twice a year to ensure you are not paying too much or too little. You can even have payments automatically withdrawn from your bank account.

To sign up you will need to have at least one year of usage history at your current residence and a zero balance on your account. Fill out the form and return it with your payment. ***Applications will only be accepted in March and September of each year.*** For more information, call the Payson City Utility Office at (801) 465-5200 ext. 0.

***You do not need to sign up again if you are already on Equal Pay or Direct Pay.***
