### Snow Removal

In order to facilitate the speedy and safe removal of snow from city streets, please note the following in accordance with Payson City Ordinance 9.07.010: No parking is allowed on city streets between 10:30 p.m. and 7:00 a.m. from December 1st through March 1st. It is unlawful for any person to remove any snow or ice from any private property and place it on any public street, sidewalk, drive, or right-of-way. The Street Department Superintendent may issue a written permit to any person to move or pile snow or ice on a public street or right-of-way if the Superintendent determines it to be in the best interest of the City and residents of the area to do so (*this does not apply to the removal of snow from sidewalks fronting private property which the owner or occupant has the duty to clean, nor to access driveways from a public street to private property*).

## Home Energy Assistance Target Program (HEAT) :

The Utah Home Energy Assistance Target (HEAT) program helps low-income households with their heating bills. This program provides winter utility assistance to low-income households targeting those who are truly vulnerable—the lowest-income households with the highest heating costs and disabled elderly, and families with preschool-age children. For an appointment call 801-229-3855.

Utility Bill payments are due on **November 29th** (the last business day of the month). If you haven't yet paid your past due bill, please take care of it by **November 22nd** to avoid shut off and an additional service fee. Payments made after 5:00 p.m. will be credited on the next business day.

Mayor Rick Moore and the members of the City Council - Mike Hardy, Scott Phillips, Doug Welton, Linda Carter and Brian Hulet, would like to know your comments or concerns. Please use the space below to write to them and include it with your utility payment.
