Home Energy Assistance Target Program (HEAT) : The Utah Home Energy Assistance Target (HEAT) program helps low-income households with their heating bills. This program provides winter utility assistance to low-income households targeting those who are truly vulnerable—the lowest-income households with the highest heating costs and disabled elderly, and families with preschool-age children. For an appointment call 801-229-3855.

Utility Bill payments are due on **October 31st** (the last business day of the month). If you haven't yet paid your past due bill, please take care of it by **October 27th** to avoid shut off and an additional service fee. Payments made by 6:00 p.m. will be credited on the current business day.

Mayor Rick Moore and the members of the City Council - Mike Hardy, Scott Phillips, Doug Welton, Linda Carter and Brian Hulet, would like to know your comments or concerns. Please use the space below to write to them and include it with your utility payment.
