

PAYSON CITY
PARKS, ARTS, RECREATION & CULTURE
(PARC) PROGRAM POLICIES

Background:

In 2016, 62% of the Payson City voters approved a 1/10 of 1% (0.1%) increase in the local sales and use tax as a means of enhancing funding for local recreational facilities and cultural organizations within Payson City. Funds are to be distributed as consistent with Utah Code Ann. §59-12-1401, *et.seq.*, as amended, and in conformance with Payson City Ordinances.

Program Purpose:

The purpose of the PARC program is to support recreational facilities and cultural organizations that enrich the overall quality of life for residents throughout Payson City. The Parks, Arts, Recreation & Culture (PARC) Program is committed to enhancing city recreational and cultural facilities and providing fair and equitable access to PARC funding through grant opportunities.

1.0 Policy

Under the PARC program the Payson City Council shall, in a public hearing, annually evaluate the forecasted and/or actual sales and use tax revenues generated by the PARC tax for the Program Purpose; to establish funds available for distribution through grant opportunities. The Payson City Council will also work to increase public awareness of the value of the PARC program.

3.0 General Guidelines

- 3.1 PARC tax revenue may only be used for non-budgeted capital development and ongoing operations of government owned or operated recreational and cultural facilities, and for the ongoing operations of nonprofit cultural arts organizations.
- 3.2 Recreational facilities are defined as publicly owned or operated parks, playgrounds, golf courses, athletic fields, gymnasiums, swimming pools, trail and bicycle systems, or other facilities used for recreational purposes. Cultural facilities include publicly owned or operated museums, theaters, art centers, music halls, or other cultural or arts facilities. Again, pursuant to Utah State law, government owned or operated facilities are the only facilities eligible for PARC funds.
- 3.3 Funding for this program comes from sales tax revenues that are collected by the State of Utah and distributed to Payson City. Sales tax revenues can be volatile depending on economic activity. To ensure more funds are not disbursed than received for the year, total actual PARC revenues cannot be disbursed for any project and/or grant until said revenues have actually been received by the City.
- 3.4 All groups receiving PARC funding shall acknowledge the funding through signage, markers, programs, etc.

4.0 PARC Funding Decision Process

- 4.1 During regularly scheduled budget hearings (typically May and June of each year), the Payson City Council will make the final decision on what city projects are funded, what grants are allocated, and how the PARC money is spent.

Payson City Council shall organize a PARC Committee consisting of the following:

- Member of the Trails Committee (non-voting)
- City Council Member (non-voting)
- Member of the Parks and Recreation (non-voting)
- Payson City Manager (non-voting)
- Five members of the community

Committee members shall be appointed for two-year terms. The initial appointment of committee members is two members for one-year terms and three members for two-year terms. This will ensure staggered appointments to provide continuity to the committee.

In selecting the PARC Committee members, the City shall place, or cause to be placed, an advertisement in the Payson Chronicle and the Payson City Newsletter mailed with the utility bill indicating the number of committee member positions available. The advertisement shall be advertised in August and allow Payson

residents thirty (30) days to apply to be committee members. The Mayor, an assigned council member, and the City Manager shall constitute the interview panel. After the interview process, the Mayor shall present the name or names of potential committee members to the City Council for their advice and consent. The City Council shall review the applications and determine who should be considered as committee members.

The PARC Committee shall review all proposed projects and all mini grants and provide the City Council with recommendations on projects, needs, suggested funding areas, recommended grants, needed facilities, etc. The City Council will give heavy consideration to the recommendations and make the final determination in distributing the PARC funds.

- 4.2 Recipients of the PARC funds will supply an annual PARC Compliance Report, on a form provided by the City, to the PARC Committee showing an accounting of PARC tax expenditures and uses. The PARC Committee will compile these reports and present them to the City Council during regularly scheduled budget hearings.

- 4.3 As established by the City Council, distribution for PARC tax allocation will be as follows:

Depending upon project costs, needs, and change in priorities the Payson City Council reserves the right to amend the distribution percentages of PARC tax allocation at any time.

5.0 Other Groups Eligible for Funding (Mini Grants)

- 5.1 As noted above, other 'Cultural Arts Organizations' may be eligible for funds. Qualifying organizations must have, or commit to have, a significant presence within Payson City and must be a qualifying organization as defined in this policy. - 5.2 All applications must be received by Payson City by 5:00pm on the second Tuesday in April. Grants will be awarded by the end of June of each year. Distribution of grant funding will not be made until after July 1 of each year and is subject to actual funds accrued by the City.

 - 5.10 The purpose of the Compliance Report is to account for grant funds distributed to cultural organizations. The report must be submitted by the deadline indicated. Future PARC funding may be withheld due to inadequate, incomplete, or non-submitted Compliance Reports.
 - 5.11 Grant selection is competitive. The Payson City Council will be the final decision and approval authority for all grant applications. In conformance with these policies and guidelines the City Council reserves the right to award all or portions of requested grants, or reject all or portions of any grants.
